

# CORRECTIONS REPORT

## 2009 SPRING COMMITTEE

Will soon be talking to volunteers to make sure we make literature purchases before July 1 price increase.

Have had communication with new District Corrections Chairs.

Workshop discussions on hold until approval of funds.

Lenny has set up meetings with TASC and we seem to have a common respect for each other. Two of their employees attended the Spring Conference.

Randy and Jeff have forwarded me the info on who has donated to the Pink Can Fund. Along with the THANK YOUS from the treasurer we are going to send some notice of appreciation.

THANK YOU

Rich and Lenny
