

LIST OF SERVICE MATERIAL

Service material is available to A.A. members upon request. A large portion of the material differs from Conference-approved literature in that it has not come about through Conference Advisory Action. It is produced when there is a need for readily available information on a specific subject or in a specific format. Service material reflects A.A. group experience as well as specific and timely information that is subject to change. To obtain service material, please contact the General Service Office, P.O. Box 459, Grand Central Station, New York, N.Y. 10163; Telephone (212) 870-3400; Fax (212) 870-3003; Web Site: www.aa.org

The service material listed in this section is maintained in G.S.O.'s service files. If you wish copies, please contact any G.S.O. staff member. These are not literature inventory items and cannot be ordered with your literature order(s). Several of these items are posted on G.S.O.'s A.A. Web Site (www.aa.org) in the SERVICES FOR MEMBERS section or can be emailed upon request.
